

February 16 - MAKE PRIOR DECISIONS

Wayne Gretzky decided very early in his life that he wanted to be a great hockey player. He made decisions to make that possible. One was that he would get up at 5 in the morning to practice hockey. He didn't make that decision every day—he made it once and stuck to it.

Prior decisions have a lot of power. They become the choices that become YOU!!!

“It is in your moments of decision that your destiny is shaped.”

Anthony Robbins

“Man shapes himself through decisions that shape his environment.”
