

January 4 - Find the Vein!

It's a lesson for "miners."

When miners find a vein of gold, they are able to follow it and it leads them to more gold.

Good people lead you to more good people.

Like attracts like.

It works the same with thoughts. Good thoughts come in clusters. They travel in packs.

Tap into a group of them.

Here's the ultimate—good people usually have good thoughts. So, good people with good thoughts travel in packs, too.

Find the vein!!!

“The more man meditates upon good thoughts, the better will be his world and the world at large.”
